PRO-LINE Vertical is Balfor's flagship range of log splitters. Compared to the S-line it has a richer range of accessories, including a log pick, chainsaw holder, adjustable lifting attachments, a larger base frame with invited edges, a right-hand high handle and a left-hand movable handle mounted on bearings, and pipes lined with anti-shear steel mesh. Thanks to their robustness, extensive standard equipment and careful construction, they are feature-rich and able to take the most demanding wood.
